trustee:

This is one piece of a Split Bitcoin Key. It is given to the above named trustee to keep safe (protected from damage) and secure (it should only be accessible to the trustee).

This SBK Piece should:

- be returned only to the owner upon their request.
- be given to the designated executor of the will of the owner, if they have perished.
- never be given to (or even accessed by) any other person.

Please contact the owner if this SBK Piece is damaged or if there is a chance that somebody other than the trustee had access it.
