

Split Bitcoin Keys

trustee: _____
owner: _____
contact: _____

This is one share of a Split Bitcoin Key.

- Keep it safe, secret and secure.
- Leave it in its sealed condition.
- Return it to the owner if they request it.
- Use it to help the owner recover their wallet, but only if
 1. you can verify the identity of the owner,
 2. you are following the instructions (scan QR).

This SBK Backup Share is given to you (the above named trustee) to keep **safe** (protected from damage) **secret** (only the owner and you should know about it) and **secure** (you should be the only person who can access it).

Please contact the owner of this share,

- if the seal has been opened or tampered with.
- if you are not the above named trustee.
