This is a Backup Share of a Split Bitcoin Key.

- Do not open it. Do not break its seal.
- Keep it safe, secret and secure.
- Give it back to the owner if they ask for it, but only if
 1. you first verify the identity of the owner,
 2. you are following the instructions (scan QR).

This share is given to you as a trustee. Keep it **safe** (undamaged) **secret** (only you should know about it) and **secure** (nobody else should have access to it).

Contact the owner of this share,

- if the seal has been tampered with.
- if you are not the above named trustee.
