Trustee Contact

This is a Backup Share of a Split Bitcoin Key.

- Do not open it. Do not break its seal.
- Keep it safe, secret and secure.
- \bullet Give it back to the owner if they ask for it, but only if
 - 1. you first verify the identity of the owner,
 - 2. you are following the instructions (scan QR).

This share is given to you as a trustee. Keep it **safe** (undamaged) **secret** (only you should know about it) and **secure** (nobody else should have access to it).

Contact the owner of this share,

- if the seal has been tampered with.
- if you are not the above named trustee.
